

# The future is in all of our hands.

## With **Duke Energy's GoGreen Indiana** we can make it better.

You can take an active part in preserving the environment for your children and grandchildren. We are offering the Duke Energy GoGreen Indiana program to our Indiana customers. With Duke Energy's GoGreen Indiana, you have the opportunity to purchase affordable energy generated from renewable, environmentally friendly sources.

- Wind
- Coal mine methane
- Landfill gas
- Hydroelectric
- Solar
- Biomass generation

## How you can help.

As a participant in Duke Energy's GoGreen Indiana program, you can purchase the minimum of two (2) 100 kilowatt-hour (kwh) blocks of green power for only \$4.00 a month, which is added to your energy bill. Beyond this minimum, you can purchase additional 100 kwh blocks of green power for \$2.00 a month. All you have to do is decide how many blocks you want to buy.

### The benefits of **Duke Energy's GoGreen Indiana.**

- Advances development of renewable, environmentally friendly energy sources.
- Offsets carbon dioxide emissions in the atmosphere.
- Diversifies energy supply and lessens demand for fossil fuel generation.

### Make a difference right now.

Sign up for Duke Energy's GoGreen Indiana program today and, for as little as \$4.00 a month, you can help preserve our world for future generations. Sign up online at [www.duke-energy.com](http://www.duke-energy.com) or call **1.800.423.5401**.
