## Share the warmth.

You have more power than you think to help those in need. HeatShare is a program funded by Duke Energy customers, employees and shareholders to assist seniors and families who can't afford to pay their heating bills. Eligible customers can apply for a one-time annual assistance. HeatShare is administered by the Salvation Army and sees that those in need won't go cold this winter. Please consider making a tax-deductible contribution. You have the power to help.

**To make a difference for someone  
this winter, make your check  
payable to: HeatShare. Please use  
the enclosed return envelope  
for HeatShare contributions only.
