**you have
the power to help.**

Share the warmth.

You have more power than you think to help those in need. Helping Hand is a program funded by Duke Energy customers, employees and shareholders to assist seniors and families who can't afford to pay their heating bills. Eligible customers are given a \$100 credit through the Indiana Community Action Association to help make sure that those in need won't go cold this winter. Please consider making a tax-deductible contribution. You have the power to help.

**To make a difference for someone
this winter, make your check
payable to: Helping Hand. Please use
the enclosed return envelope for
Helping Hand contributions only.
