Share the warmth.

You have more power than you think to help those in need. Share the Warmth is a program funded by Duke Energy customers, employees and shareholders to assist seniors and families who can't afford to pay their heating bills. For every dollar you donate to Share the Warmth, Duke Energy matches your funds and sees that those in need won't go cold this winter. Please consider making a tax-deductible contribution. You have the power to help.

**To make a difference for someone
this winter, make your check payable to:
Share the Warmth. Please use the
enclosed return envelope for Share the
Warmth contributions only.
