**FREE**  
to a  
good  
home

# Get FREE energy-saving CFL bulbs for your home delivered right to your door.

We want to make it easier for you to adopt energy-saving habits. And CFL bulbs are a quick and simple way to do it. They're more efficient than standard incandescent bulbs and last a lot longer, which means they'll be a welcome addition to your home.

Compact Fluorescent Light (CFL) bulbs:

- Last up to 10 years—saving time and money replacing bulbs
- Provide over \$40 in energy savings over the lifetime of each bulb
- Maximize savings when placed in the light fixtures you use most

Just call **1.800.943.7585** (select option 1) or visit **[duke-energy.com/AdoptCFLsNow](http://duke-energy.com/AdoptCFLsNow)** to get yours.

Use the account number on your bill to make ordering even easier.

Previous participation in one of our light bulb programs may be reflected in the number of bulbs that you may be eligible to receive.
