

Spend a Saturday Learning about the History of Lake Norman

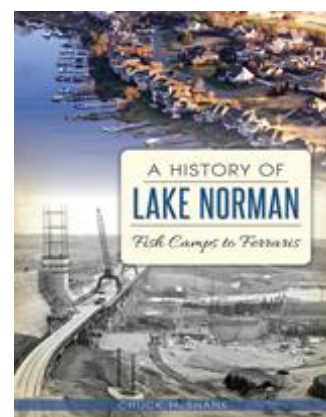

Featuring guest speaker, **Chuck McShane**, author and historian

Join author and historian Chuck McShane, as he takes you through his new book: "A History of Lake Norman: Fish Camps to Ferraris." Learn about the significant events that led to the creation of Lake Norman and how it has helped to reshape the region. Light refreshments will be served.

Saturday, Oct. 11 • 11 a.m. to noon • McGuire Nuclear Station's EnergyExplorium

The following topics will be covered:

- Colonial days around the lake
- The great flood of 1916
- The Cowan's Ford Dam project
- Life along the Catawba River before the lake
- Growing pains: How the lake reshaped the landscape
- What lies beneath the lake

Call to register, 980-875-5600. The event is free, but space is limited.
