MISCELLANEOUS**

22.1. Notices

Unless otherwise stated herein, any notice contemplated by the Certified Supplier Tariff shall be in writing and shall be given to the other party at the addresses stated in the notice section of the Certified Supplier Service Agreement. If given by electronic transmission (including fax, telex, telecopy or Internet email), notice shall be deemed given on the date sent and shall be confirmed by a written copy sent by first class mail. If sent in writing by first class mail, notice shall be deemed given on the fifth business day following deposit in the United States mail (as noted by the postmark), properly addressed, with postage prepaid. If sent by same-day or overnight delivery service, notice shall be deemed given on the day of delivery. The Company and a Certified Supplier may change their representatives for receiving notices contemplated by the Certified Supplier Service Agreement by delivering written notice of their new representatives to the other.

22.2. No Prejudice of Rights

The failure by either the Company or the Certified Supplier to enforce any of the terms of the Certified Supplier Tariff or any Certified Supplier Service Agreement shall not be deemed a waiver of the right of either to do so.

22.3. Assignment

- a) A Certified Supplier Service Agreement hereunder may not be assigned by the Certified Supplier without (i) any necessary regulatory approval and (ii) the consent of the Company, which consent shall not be unreasonably withheld.
- b) Any assignment occurring hereunder shall be binding upon, and oblige and inure to the benefit of, the successors and assigns of the parties to the Certified Supplier Service Agreement.

22.4. Governing Law

- a) To the extent not subject to the exclusive jurisdiction of FERC, the formation, validity, interpretation, execution, amendment and termination of the Certified Supplier Tariff or any Certified Supplier Service Agreement shall be governed by the laws of the State of Ohio.
- b) The Certified Supplier Tariff or any Certified Supplier Service Agreement, and the performance of the parties' obligations thereunder, is subject to and contingent upon (i) present and future local, state and federal laws, and (ii) present and future regulations or orders of any local, state or federal regulating authority having jurisdiction over the matter set forth herein.

22.5. Effect of Future Orders

If at any time during the term of any Certified Supplier Service Agreement, FERC, the Commission or a court of competent jurisdiction issues an order under which a party hereto believes that its rights, interests and/or expectations under the Certified Supplier Service Agreement are materially affected by said order, the party so affected shall within thirty (30) calendar days of said final order provide the other party with notice setting forth in reasonable detail how said order has materially affected its rights, interests and/or expectations in the Certified Supplier Service Agreement. Within thirty (30) calendar days from the receiving party's receipt of said notice, the parties agree to attempt through good faith negotiations to resolve the issue. If the parties are unable to resolve the issue within thirty (30) calendar days from the commencement of negotiations, either party may at the close of said thirty (30) calendar day period terminate the Certified Supplier Service Agreement, subject to any applicable regulatory requirements, following an additional thirty (30) calendar days prior written notice to the other party without any liability or responsibility whatsoever except for obligations arising under this tariff.
