AVAILABILITY

Firm full requirements transportation service for an individual non-residential customer using more than 4,000 CCF during the prior calendar year at one premise, which is provided from the Company's city gate receipt points to the outlet side of Company's meter used to serve the customer. This service is available within the Company's entire service territory, and at the customer's option, to serve the firm service requirements of interruptible transportation customers in combination with service under Rate IT to all non-residential customers except for those customers whose utility service accounts are past due at the time customer desires to utilize this service. The Company may terminate a customer's supplier contract for non-payment and return the customer to the Company's service only if: (1) the Supplier has made an affirmative request for the Company to act as its agent to terminate customer contracts for non-payment; and (2) the Supplier has included in its customer contracts, a notice that the Company can terminate such contracts for non-payment. Where the Supplier is performing its own billing of the gas supply, termination of the agreement will be at the discretion of the Supplier, as specified in the Supplier contracts for service. The Supplier or the Company shall give no less than 30 days written notice that the customer will be switched from the Supplier and revert to the Company unless the past due amount is paid by the customer's next scheduled bill due date. If the past due amount is paid by the next scheduled bill due date, the customer will not revert to the Company and will remain with the Supplier. If the Company provides the late payment notice to the customer, it will send a copy of the notice to the customer's Supplier. Service shall be provided on demand from the Company's city gate receipt points to the outlet side of Company's meter used to serve the customer. Customer must enter into a "pooling" agreement with a Supplier that meets the Company's requirements for participation in this pooling program, and must arrange for the delivery of gas into Company's system.

Customers who believe that they will significantly increase throughput, from their historic firm service levels, shall so inform the Company.

GENERAL TERMS AND CONDITIONS

1. Approved Supplier List

Company shall maintain a list of qualified Suppliers from which customer can choose. Such list shall include Suppliers who sign a Gas Supply Aggregation/Customer Pooling Agreement in which Supplier agrees to participate in, and abide by Company's requirements for, its pooling program. This list shall be available to customer upon request.

2. Applications and Service Date

A customer who desires service under this tariff shall apply through its chosen Supplier. Unless the Company determines that the customer is not eligible to become a transportation customer of the Supplier, the Company shall transfer the customer to the Supplier's pool on the customer's next regularly scheduled meter reading date that is twelve (12) or more calendar days from the date the Company receives the transfer request from the Supplier. The Company shall notify the Supplier of the actual transfer date.

A customer may request termination of service under this tariff and return to the Company's sales service by notifying the Company, and the request will become effective on the customer's next regularly scheduled meter reading date that is twelve (12) or more calendar days from the receipt of such notification. In the event that a customer is returned to sales service for non-payment, the Supplier shall provide the Company with notice of termination and shall comply with any notice requirements of the Suppliers' Code of Conduct set forth in Rate FRAS, Sheet No. 44.

A customer whose operations are affected by swings in the composition of the Company's gas is required to notify the Company of that fact so that the Company can give the customer advance notice when the propane plants are going to be in operation.

4. Service Term

Except customers returned for non-payment or for good cause shown, a customer who elects service under this tariff, other than a small commercial customer, shall not be permitted to return to Company's sales service for at least one (1) year.
