Avoid the stress and hassle of unexpected home repairs by signing up for one or more of Duke Energy's **Home Repair Plans**.

A single phone call puts you in touch with professional, licensed service technicians available 24 hours a day, seven days a week for immediate repairs.

Just one low monthly payment makes unforeseen repairs a thing of the past! No more minimum service charges, no more high hourly rates and no more expensive replacement parts.

Problem	Average Repair Cost	Your Cost with Duke Energy's Home Repair Plan
Repair/replace water heater	\$200 to \$500	\$0
Repair main circuit breaker	\$95 to \$150	\$0
Repair leaking water line	\$100 to \$250	\$0

Duke Energy offers three Home Repair options:

1. Water Heater Repair/Replacement Plan
2. Home Wiring Repair Plan
3. Water Line Repair Option*

To sign up for any or all of these plans, just complete the enrollment form below and return it with your electric payment. You may also enroll online at www.duke-energy.com or call **800-943-7585**.

*To enroll in the Water Line Repair Option, you must enroll in the Water Heater Repair/Replacement plan and/or the Home Wiring Repair Plan.

Duke Energy may access my account to verify eligibility requirements and to activate and maintain my Home Repair Plan coverage. I understand that the monthly fee for the Plan(s) chosen will be added to my Duke Energy bill. The Home Repair Plans are not part of the regulated services offered by Duke Energy and are not in any way sanctioned by the North Carolina Utilities Commission or the Public Service Commission of South Carolina. Purchasers of the Home Repair Plans will receive no preference or special treatment from Duke Energy in regards to their regulated electric service. A customer does not have to buy the Home Repair Plans in order to receive the same safe and reliable electric service from Duke Energy.
