

RIDER US (NC)  
UNMETERED SERVICE  
(Experimental)

AVAILABILITY (North Carolina Only)

Available, at the Company's option, in conjunction with Schedule SGS, for unmetered service where the Customer's electrical requirements are 100 watts or less. This Rider is only available when, in the sole opinion of the Company, installation of metering equipment is impractical or uneconomical.

The Company reserves the right, at any time, to inspect the Customer's equipment to verify that the Customer's load meets the Rider requirements or to require the Customer to install a current limiting device.

The Company reserves the right to terminate the Customer's service under this Rider for failure to comply with terms outlined above.

RATE

The monthly rate for each delivery point served under this Rider shall be the Basic Facilities Charge for Schedule SGS.
