

SOLAR PHOTOVOLTAIC
DISTRIBUTED GENERATION PROGRAM (NC)

AVAILABILITY (North Carolina Only)

This program is available on a limited and voluntary basis, at the Company's option, to customers in owner-occupied individually metered single-family residences, or owners of other property, suitable for the installation of a solar photovoltaic (PV) system.

GENERAL PROVISIONS

- The Company will install a PV system on the owner's property, under a separate lease agreement with the owner.
- The maximum number of customers served under this program will be the number required to achieve 10,000 kW (DC) of installed PV capacity, of which up to 10% will be installed on single-family residences and the remainder will be installed on nonresidential establishments or other property.
- The maximum installed capacity of the PV system will be 5 kW for residences and 3000 kW for nonresidential establishments or other property.
- The Company reserves the right to limit the number of customers served under this program on the same retail distribution circuit.

CONTRACT

The terms of the agreement will be set forth in the lease agreement with the customer.
