# Help NC GreenPower protect your environment.

NC GreenPower is an independent, nonprofit program dedicated to providing more renewable energy sources to our state. We're working to convert natural resources such as the sun, wind and organic matter into electric energy that's good for the environment. And in order to succeed, we need your help!

## Sign up today to build a greener future.

Together, we can make a difference! To enroll:

- visit [www.duke-energy.com](http://www.duke-energy.com), then select your state or
- call your local Duke Energy customer service number or
- complete and mail the attached card.

## It's easy to make a difference.

You can help for as little as \$4 a month. Every \$4 donation will add one block of 100 kilowatt-hours of green energy to our state's power supply. Over a year, that's the environmental equivalent of planting 190 trees or not driving a car for 73 days!

For your convenience, your contribution will be added to your monthly electric bill. To lower our administrative costs, electric utilities across the state have volunteered to collect contributions and send the entire amount directly to NC GreenPower.

The dollar amount of your participation is sales-tax-free and tax-deductible.

**NCGreenPower**  
[www.ncgreenpower.org](http://www.ncgreenpower.org)

If paying your electric bill by mail, you may include this enrollment card along with your bill payment.

### Yes! I want to contribute to a cleaner environment.

Please add my NC GreenPower contribution to my electric bill.

My monthly contribution:

- \$4 a month     \$12 a month  
 \$8 a month     \$20 a month  
 \$ \_\_\_\_\_ a month (any amount in increments of \$4)
