

Special Events at the World of Energy

September

"A Journey to Success": Thursday, September 17 from 2 p.m. to 7 p.m.

Join us for an afternoon of professional development seminars and a networking social. *A Journey to Success* is a free event geared toward women who are looking to advance their careers, as well as those searching for new ones. The seminars run from 2 p.m. to 5 p.m. with the social following from 5 p.m. to 7 p.m. During the social, several female artists will be displaying their works and providing live demonstrations.

October

3rd Annual Outdoor Family Adventure: Saturday, October 3 from 9 a.m. to 3 p.m.

Experts will teach children and adults how to safely fire air rifles and bow and arrows, paddle canoes and kayaks, climb trees using tree stands, and dress in camouflage for hide and seek. These activities and many more are designed to promote family-fun in the outdoors. All events are free. Bring a picnic or purchase food from on site concessionaires.

Super Tuesday: Tuesday, October 13 from 10 a.m. to 11:30 a.m.

Yoga isn't just about stretching. It's an important exercise that also increases balance and flexibility, which can be especially important for senior citizens. Renee Gahan will teach senior yoga from 10 a.m. to 11 a.m. with light refreshments offered afterwards. Participants will learn exercises from a seated position so even those who aren't sturdy on their feet can be involved in the lesson. Come try something new and learn a few exercises you can continue using from the comforts of your own home!

November

Day After Thanksgiving: Friday, November 27 from 9 a.m. to 5 p.m.

If your living quarters—and your pants—are feeling a little tight the day after Thanksgiving, get out of the house and visit the World of Energy. Your out-of-town guests will love taking a self-guided tour through The Story of Energy and you can burn a few calories while you're at it!

December

Quilt Show

The Threadheads, a local quilters group, will display their quilt art throughout the month of December. Their designs reflect an energy theme.

Super Tuesday: Tuesday, December 8 from 10 a.m. to 11:30 a.m.

Come and hear songs of the season provided by the 27-member Walhalla High School Chorus. The group will perform in the auditorium for about an hour with light refreshments to follow in the lobby.

The World of Energy is located on Lake Keowee at 7812 Rochester Highway, Seneca, SC 29672. For directions, call 1-800-777-1004. The center is open Monday thru Friday, 9 a.m. - 5 p.m.; Saturday, Noon - 5 p.m. Closed Sundays. Closed Thanksgiving Day, Christmas Eve and Christmas Day.
