

# WinterCare

Every winter many elderly customers and families in need are faced with either paying their energy bills or going without necessities such as food or medicine. By partnering with our customers, employees and shareholders, Duke Energy's WinterCare program helps those less fortunate stay warm.

Last winter, the WinterCare energy fund provided assistance to 563 households in our Northern Kentucky service area thanks to generous contributions from customers like you.

# How you can help

You can help by adding a WinterCare donation to your monthly utility bill payment. Duke Energy will match \$1 for every \$1 donated up to a maximum annual amount of \$50,000.

Look for the WinterCare message in the upper right portion of your monthly bill.

To contribute, please write in the dollar amount you would like to donate and add that figure to your bill payment. You may contribute as often as you like. Donations can also be made at any time by mailing a check or money order to:

**Duke Energy**  
**WinterCare Program**  
**139 E. 4th Street**  
**Cincinnati, OH 45202**

Please make checks payable to WinterCare/NKCAC. All contributions are tax deductible and forwarded directly to Northern Kentucky Community Action Commission (NKCAC) for distribution to those families most in need.
