

A woman with short dark hair, wearing an orange long-sleeved top and white pants, is sitting on a light-colored sofa. She is looking at a laptop computer that is open on her lap. The background shows a window with green foliage outside.

Duke Energy's e-Bill

A better way to receive and
pay your Duke Energy bill.

www.duke-energy.com

e-Bill

e-Bill is a free service that enables you to receive and pay your electric bill online. Each month you will receive an e-mail message when your bill is available for viewing. With a click of the mouse you can pay online or use any of our other convenient payment options.

- *View records of recent bills and payments.*
- *Eliminate the need for checks, stamps and envelopes.*
- *Reduce paper clutter and help the environment.*
- *Print copies of your bills if you choose.*

Managing your account has never been easier.
Enroll today at www.duke-energy.com.

Say goodbye to traditional billing and join the rapidly growing number of Duke Energy customers already enjoying the convenience of a paperless alternative.
