

The world belongs to our children.

With **GoGreen**, we can make it better.

You can take an active part in preserving the environment for your children and grandchildren. Duke Energy is offering GoGreen to our Ohio customers. With GoGreen, you have the opportunity to purchase energy generated from alternative energy sources such as:

- Wind
- Coal mine methane
- Landfill gas
- Hydroelectric
- Solar
- Biomass generation

How you can help.

As a GoGreen participant you can support alternative sources of energy by purchasing a minimum of two (2) 100 kilowatt-hour (kwh) units of GoGreen product for only \$5.00 a month, which is added to your Duke Energy electric bill. Beyond this minimum, you can purchase additional 100 kwh units for \$2.50 a month. All you have to do is decide how much you want to buy.

The benefits of **GoGreen**.

- Advances the development of alternative energy sources.
- Reduces carbon dioxide emissions in the atmosphere.
- Diversifies energy supply and lessens demand for fossil fuel generation.

Make a difference right now.

Enroll in GoGreen today. For as little as \$5.00 a month, you can help preserve our world for future generations. Sign up online at www.duke-energy.com or call **1.800.423.5401**.
