# Assistance Programs

## Ohio Home Weatherization

Duke Energy, in partnership with People Working Cooperatively (PWC), offers free, energy-saving home upgrades for qualified customers. For more details contact PWC at 513-351-7921.

## Home Energy Assistance Program

(HEAP) is available to help low-income households with home heating costs. For community action agencies in your county, call 1-800-282-0880.

HeatShare is a Duke Energy sponsored program, designed to assist those in need with their heating bills during the winter season. Contact The Salvation Army at 513-721-0795 after the program begins in mid-January.
