

## 2019 WORKFORCE GRANTS | OHIO & KENTUCKY

Duke Energy is providing over \$200,000 in support to nonprofit organizations through our Powerful Communities: Workforce program. These grants, provided by the Duke Energy Foundation, will help **enhance and diversify the energy industry's workforce of tomorrow.**

ORGANIZATION	SERVICE	LOCATION
GROW NKY	Supporting a comprehensive, holistic workforce development and talent strategy, which is focused on leveraging the community's full complement of assets to grow, attract and retain a globally competitive workforce.	Kenton (KY)
Grant Career Center	Training program for men and women who aim to become utility line technicians.	Clermont (OH)
Gateway Community and Technical College	Creating an accelerated utility line worker certificate program designed to train individuals who desire to become utility line workers.	Boone (KY)
University of Cincinnati	Providing new equipment for the school's electric power and power electronics laboratories.	Hamilton (OH)
NaviGo	With the help of NaviGo Scholars, students can explore and investigate career paths while they're still in high school; informing their decisions for the future.	Kenton (KY)

Greater Cincinnati Construction  
Foundation

“Constructing a Pathway Out of Poverty”  
initiative aims to increase access to and  
participation in hands-on career experiences for  
Cincinnati Public Schools students in grades  
10-12.

Hamilton  
(OH)

Northern Kentucky Community Action  
Commission

The YouthBuild program works with young  
adults to create a place where they can  
complete their secondary education, prepare for  
post-secondary education, and gain valuable  
life and career skills.

Campbell  
(KY)

Warren County Educational Service  
Center

Expanding its career exploration opportunities  
for at-risk students in collaboration with the  
NaviGo Scholars program.

Warren  
(OH)
