How can I participate in the Annual Meeting?

As a result of positive feedback from shareholders after the Corporation’s 2017 Annual Meeting and to enable more shareholders to participate in this year’s Annual Meeting, it will once again be held exclusively via live webcast. Shareholders of record as of the close of business on March 9, 2018, are entitled to participate in, vote at and submit questions in writing during the Annual Meeting by visiting duke-energy.onlineshareholdermeeting.com. To participate in the Annual Meeting via live webcast, you will need the 16-digit control number included on your Notice, on your proxy card and on the instructions that accompany your Proxy Materials. The Annual Meeting will begin promptly at 12:30 p.m. Eastern Time on May 3, 2018. Online check-in will begin at 12:00 p.m. Eastern Time. Please allow ample time for the online check-in procedures. An audio broadcast of the Annual Meeting will be available by phone toll-free at 1.800.239.9838, conference number 7668330.

What is the pre-meeting forum and how can I access it?

One of the benefits of holding the Annual Meeting via live webcast is that it allows us to communicate more effectively with you via a pre-meeting forum that you can enter by visiting proxyvote.com. On our pre-meeting forum, you can submit questions in writing in advance of the Annual Meeting, and also access copies of our Proxy Materials. Through the use of the pre-meeting forum, we are able to respond to more questions than we were able to respond to at previous meetings.

Why are you holding the Annual Meeting via live webcast?

We held our first Annual Meeting exclusively via live webcast in 2017. We received positive feedback from shareholders after the 2017 Annual Meeting and greater participation than at previous annual meetings because shareholders can participate from any location around the world via live webcast without prohibitive cost or inconvenience. By holding the Annual Meeting via live webcast, shareholders not only have the same opportunity to vote and ask questions that they would have had at an in-person meeting, but also have the ability to submit questions in advance of the Annual Meeting. As a result, the Board has once again elected to hold the Annual Meeting via live webcast.

If you mail us your properly completed and signed proxy card or vote by phone or online, your shares of Duke Energy common stock will be voted according to the choices that you specify. If you sign and mail your proxy card without marking any choices, your proxy will be voted:

- "FOR" the election of all nominees for director;
- "FOR" the ratification of Deloitte & Touche LLP as Duke Energy Corporation’s independent registered public accounting firm for 2018;
- "FOR" the advisory vote to approve Duke Energy Corporation’s named executive officer compensation;
- "FOR" the Amendment to the Amended and Restated Certificate of Incorporation of Duke Energy Corporation to eliminate supermajority voting requirements;

We do not expect that any other matters will be brought before the Annual Meeting. However, by giving your proxy, you appoint the persons named as proxies as your representatives at the Annual Meeting.

You may cast your vote online up until 11:59 p.m. Eastern Time on May 2, 2018, at proxyvote.com.

Remotely – You may participate in the Annual Meeting via live webcast and cast your vote online during the Annual Meeting prior to the closing of the polls by visiting duke-energy.onlineshareholdermeeting.com.

May I change or revoke my vote?

Yes. You may change your vote or revoke your proxy at any time prior to the Annual Meeting by:

- notifying Duke Energy’s Corporate Secretary in writing that you are revoking your proxy;
- providing another signed proxy that is dated after the proxy you wish to revoke;
- using the phone or online voting procedures; or
- participating in the Annual Meeting via live webcast and voting online during the Annual Meeting prior to the closing of the polls.

Will my shares be voted if I do not provide my proxy?

It depends on whether you hold your shares in your own name or in the name of a bank or brokerage firm. If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or vote online during the Annual Meeting prior to the closing of the polls.

Brokerage firms generally have the authority to vote their customers’ unvoted shares on certain “routine” matters. If your shares are held in the name of a broker, bank or other nominee, such nominee can vote your shares for the ratification of Deloitte as Duke Energy’s independent registered public accounting firm for 2018 if you do not timely provide your proxy because this matter is considered “routine” under the applicable rules. However, no other items are considered “routine” and may not be voted by your broker without your instruction.
If I am a participant in the Duke Energy Retirement Savings Plan, how do I vote shares held in my plan account?

If you are a participant in the Duke Energy Retirement Savings Plan, you have the right to provide voting directions to the plan trustee, Fidelity Management Trust Company, by submitting your proxy card for those shares of Duke Energy common stock that are held by the plan and allocated to your account. Plan participant proxies are treated confidentially.

If you elect not to provide voting directions to the plan trustee, the plan trustee will vote the Duke Energy shares allocated to your plan account in the same proportion as those shares held by the plan for which the plan trustee has received voting directions from other plan participants. The plan trustee will follow participants’ voting directions and the plan procedure for voting in the absence of voting directions, unless it determines that to do so would be contrary to the Employee Retirement Income Security Act of 1974.

Because the plan trustee must process voting instructions from participants before the date of the Annual Meeting, you must deliver your instructions no later than April 30, 2018, at 11:59 p.m. Eastern Time.

What constitutes a quorum?

As of the record date on March 9, 2018, 700,605,319 shares of Duke Energy common stock were issued and outstanding and entitled to vote at the Annual Meeting. In order to conduct the Annual Meeting, a majority of the shares entitled to vote must participate remotely via live webcast or by proxy. This is referred to as a “quorum.” If you submit a properly executed proxy card or vote by phone or online, you will be considered part of the quorum. Abstentions and broker “non-votes” will be counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” is not, however, counted as present and entitled to vote for purposes of voting on individual proposals other than ratification of Deloitte as Duke Energy’s independent registered public accounting firm and the amendment to the Amended and Restated Certificate of Incorporation of Duke Energy Corporation to eliminate supermajority requirements. A broker “non-vote” occurs when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under NYSE listing standards, does not have discretionary authority to vote on a matter.

Who conducts the proxy solicitation and how much will it cost?

Duke Energy is requesting your proxy for the Annual Meeting and will pay all the costs of requesting shareholder proxies. We have hired Georgeson Inc. to help us send out the Proxy Materials and request proxies. The estimated fees for Georgeson’s services is approximately $20,000, plus out-of-pocket expenses, although such amount could be higher depending on the level of services provided by Georgeson. We can request proxies through the mail or personally by phone, fax or online. We can use directors, officers and other employees of Duke Energy to request proxies. Directors, officers and other employees will not receive additional compensation for these services. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of Duke Energy common stock.
